## ABOUT

---

### Vision of the EMS Locator App

To revolutionize emergency medical response by providing instant access to critical healthcare services, reducing response times, and ensuring the safety and well-being of every individual in need.

### Mission of the EMS Locator App

Our mission is to provide a user-friendly platform for quick access to nearby medical facilities during emergencies, leveraging GPS and real-time data. We aim to enhance emergency response efficiency, ensure accessibility for all, prioritize data security, and collaborate with healthcare providers to build a reliable, scalable system that saves lives

## Privacy Policy

At EMS Locator, we prioritize your privacy and are committed to safeguarding your personal information. This Privacy Policy outlines how we collect, use, share, and protect your data when you use our application. We collect information such as your name, email address, and phone number when you register, as well as your location data to provide emergency services and display nearby medical facilities. Additionally, we may gather app usage data, including device type and operating system, to enhance functionality and user experience.

Your information is used to provide core app functionalities, such as locating medical facilities, facilitating real-time location sharing during emergencies, and delivering notifications. We do not sell or rent your personal data to third parties. However, we may share your information with emergency service providers to ensure timely response or comply with legal obligations.

To protect your data, we employ advanced encryption and secure storage methods, though no system can guarantee absolute security. You have the right to access, update, or request the deletion of your data at any time. Should you wish to opt out of certain data practices, please contact us for assistance. This Privacy Policy may be updated periodically, and we encourage you to review it regularly to stay informed about how your data is managed. For questions or concerns, contact us at [emergencymedical@gmail.com](mailto:emergencymedical@gmail.com).

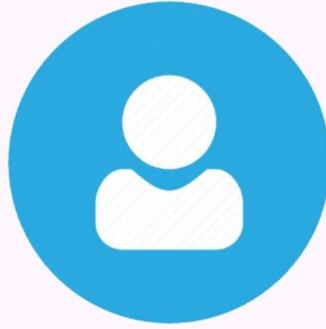

## Terms & Conditions

By using the EMS Locator App, you agree to these terms and conditions. The app is designed to assist users in locating nearby medical facilities during emergencies. You are expected to use the app responsibly, ensuring that all information you provide is accurate and that your usage
